Subject: Cover Letter for Bulgaria Schengen Visa Application

Dear Sir or Madam,

I, Elena Bulochkina, passport number 75 8569423, am applying for a Schengen visa to visit Bulgaria from 25 August 2026 to 8 September 2026.

The purpose of my trip is tourism and personal vacation. I would like to visit Sofia, take a break from my regular work routine, enjoy a peaceful holiday and get to know the city as a tourist. I am interested in Bulgarian culture, architecture, local cuisine, parks, historical places and the general atmosphere of the city.

During my stay in Bulgaria, I plan to remain in Sofia. I would like to visit the main landmarks, walk around the city center, explore museums, churches and parks, and enjoy local cafés and restaurants in my free time. This trip is planned only for rest, sightseeing and personal travel experience.

I kindly ask you to consider granting me a multiple-entry Schengen visa, if possible. I would be very happy to visit Bulgaria again in the future, as I am interested in seeing more of the country. I would also like to return later with my mother, so that we can travel together and visit other places in Bulgaria.

I confirm that I will respect all visa conditions, leave the Schengen Area before the visa expires and return according to my travel plans. I have sufficient financial means for the trip and can provide all supporting documents, including my bank statements, travel itinerary, accommodation booking, flight reservation, professional activity confirmation and proof of income.

Thank you for considering my application.

Sincerely,

Elena Bulochkina
